

Response from Steve Fisher:

1. Do you support the right of citizens to own firearms? Yes.
2. Do you support overturning the federal Defense of Marriage Act? No, I believe that a marriage should be considered only between a man and a woman.
3. Do you support lifting the ban against practicing homosexuality in the military? Yes. Our military is stretched too thin for us to exclude service men and women for homosexuality. The military will still have rules if there is inappropriate activity.
4. Do you support the Employment Non-Discrimination Act (ENDA)? Yes, as I do not think an employer can discriminate based on sexual preference.
5. Do you support increased federal prosecution of obscenity? This is answered in two ways. As to the FCC, yes I do think we need to control the language that is used. I am not saying ban the language, but make sure it is properly rated to protect young people or those offended by it from hearing it. We have to maintain the Freedom of Speech. I do not support federal action when it comes to local activity as that would be a state or local issue.
6. Do you support the legalization of the medical use of marijuana? No.
7. Do you support overturning Roe V Wade? Yes, I am pro-life.
8. Do you support citizenship for those who have entered the country illegally? No, the word illegal should be easy to understand. We need to prosecute for illegal entry.
9. Do you support the recently signed health reform bill? No, it is not health reform - it is health insurance take-over and will destroy our country through higher costs and fewer jobs.
10. Have you signed the Americans for Tax Reform Taxpayer Protection Plan? I believe so. I will have to check my records when I return to the office.

On a scale of one to ten (one being very conservative and 10 being very liberal) how would you describe your political philosophy? Eight (8).
